I recently communicated with you concerning a patent application wherein we did not receive a Notice to File Missing Parts and the time had expired to respond. We had some difficulty getting a declaration from each of the inventors (they no longer work for the company), but finally, here it is!

I am unsure, however, if this originals of this transmission will be forwarded to your office (after they go through the Petitions Office), so I wanted to make sure you have a copy. If you see any errors I have made in trying to rectify this problem, please don't hesitate to call me or our attorney, Paul Evans at the above number.

Thanks for your help with this.

PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED  
ON FAILURE TO RECEIVE NOTICE TO FILE MISSING PARTS

BOX DAC  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

It is hereby respectfully requested that the Holding of Abandonment of the above-identified application be withdrawn for the reasons set forth herein.

Pertinent facts in support of this Petition include:

1. On January 23, 2002 the above-identified patent application was filed converting the previously filed provisional application (Serial Number 60/265,962 entitled INTERNET TRAINING COURSE SYSTEM AND METHODS filed on February 2, 2001) to a regular application.
2. Since the application was converted from a provisional to a regular application, I believed the application was complete as filed.
3. The USPTO subsequently issued a Notice to File Missing Parts requesting that applicant provide an Oath and Declaration of the inventors with a two-month response

period ending April 28, 2002, which I attest was not received by myself or this office and that a search of the file jacket and docket records indicated that the Notice was not received. A copy of the docket relating to this case is attached.

4. I learned of the Notice to File Missing Parts on May 8, 2002 upon inquiry with the USPTO regarding the status of the Filing Receipt. This date was subsequent to the time period allowed for responding to the Notice to File Missing Parts.

Enclosed is an executed Combined Declaration and Power of Attorney in response to the Notice to File Missing Parts that was resent to my office on May 8, 2002. A fee of \$195 is included in compliance with 37 CFR 1.27 and 1.17(h). The Commissioner is hereby authorized to charge payment of any fees associated with this communication or credit overpayment to Deposit Account No. 19-3542.

In light of the facts set forth above, we respectfully request that the Holding of Abandonment of the above-identified application be withdrawn and that the application be allowed to proceed.

If you have any questions, please do not hesitate to contact me at the contact information provided below.

Dated this 7<sup>th</sup> day of June 2002.

Respectfully submitted,
